UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

United States of America,	Case No. 2:06-cr-00002-RCJ-GWF
Plaintiff,	**ORDER**
v.	
Pamela Beardsley,	
Defendant.	

The United States of America ("Government") files its response to Defendant Pamela Beardsley's ("Beardsley") November 7, 2019 Letter Requesting Reduction in Restitution Payments, ECF No. 667.

Though the Court would be justified in striking the letter under Local Rule IA 7-1(b), the Government routinely works with criminal defendants who owe restitution to adjust or modify restitution payment schedules. Thus, upon receipt of the letter, the Government reached out to Beardsley to discuss her financial circumstances, and the parties have agreed to reduce her monthly restitution payments from $157 to $50. The Government believes this resolves the concern raised by Beardsley in her letter. The Government has further conveyed to Beardsley its ongoing willingness to work with her in the event of further material changes in her economic circumstances.

Accordingly, the Government respectfully requests that Court construe Beardsley's letter broadly as a motion and deny it as moot given the agreed reduction in restitution payments.

Respectfully submitted this 22nd day of November, 2019.
